

BYRCHALL HIGH SCHOOL

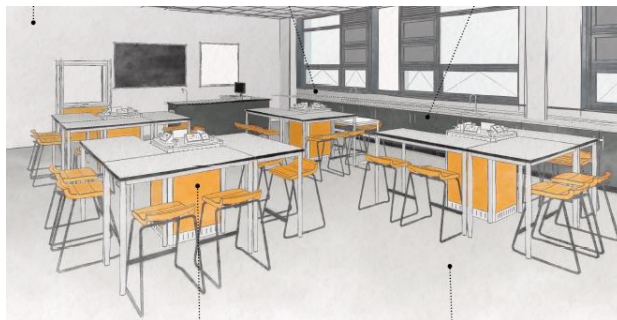

NEW SCHOOL NEW START NEW YOU!

OUR LEARNING SPACES

Our new school will provide us all with a professional and modern working environment – one that will effectively prepare young people for success in the future by Living out our school motto – ***'Live to Learn and Learn to Live'***.

Our new school will give you access to;

- Modern professional learning spaces
- Specialist high-tech classrooms across Science, Arts and Technology
- Comfortable clean classroom environments to create the right conditions to help you learn.
- Enhanced connectivity and access to mobile technology.
- State of the art sports and performing arts facilities
- Landscaped green spaces and opportunities to take learning outside
- Opportunities to get involved with broadcasting through radio and TV.
- Enhanced extra-curricular opportunities.
- More opportunities to work with local colleges and businesses.

THINK SMART | LOOK SMART | BE SMART

BYRCHALL HIGH SCHOOL

NEW SCHOOL NEW START NEW YOU!

You will be supported and challenged to take advantage of the opportunities and head start our new build will give to us. This will help you to achieve your full potential, make a positive contribution to the community and support each other to become the best version of ourselves.

It will be expected that you will;

- Be prepared for every lesson – Ready to learn, fully equipped (pen, pencil, ruler, bag)
- Respond respectfully and positively – Looking after our environment and each other.
- Be active from the start - participating fully in every lesson
- Take part in extra-curricular opportunities
- Take pride in your learning and work

THINK SMART | LOOK SMART | BE SMART
