

NEW SCHOOL NEW START NEW YOU!

HOW DO I MOVE AROUND SCHOOL?

Arrival:

- School is open from 7.30am, the side gate will be open for you.
- Pupil reception is open from 7.45am.
- If you arrive by bike there is a new lockable bike shed you can use.
- If you arrive after 8.30am you will enter via pupil reception.

More information detailing entrance routines is within our “Morning Entrance to School” flyer.

Corridors and stairs:

- Our new corridors are light, bright and full of space.
- There will be lockers situated on many corridors, some down both sides. More information on locker etiquette is within the “Our Lockers” flyer.
- Keep left when walking around school, including on the stairs. No more than 2 abreast. Bags and coats will be within your locker, the only exception is your small drawstring PE bag for when you have PE.
- Line up outside classrooms in single file.

This is to give space for 2-way traffic and to keep scuffs and scrapes to a minimum.

Our new school has carpet throughout, unless in a specialist area like the Science Lab. Therefore, food and drink can only be consumed in designated areas as we want to keep the building looking SMART.

We have a no chewing gum rule at any time on site.

Movement in The Restaurant:

There will be two separate queues for break and lunch, these are shown by the green arrows. One queue is for upper school and one is for lower school. Both serving hatches serve exactly the same food.

In order to be served as quickly as possible queues will be single file and bags will not be allowed in the restaurant.
