

BYRCHALL HIGH SCHOOL

NEW SCHOOL NEW START NEW YOU!

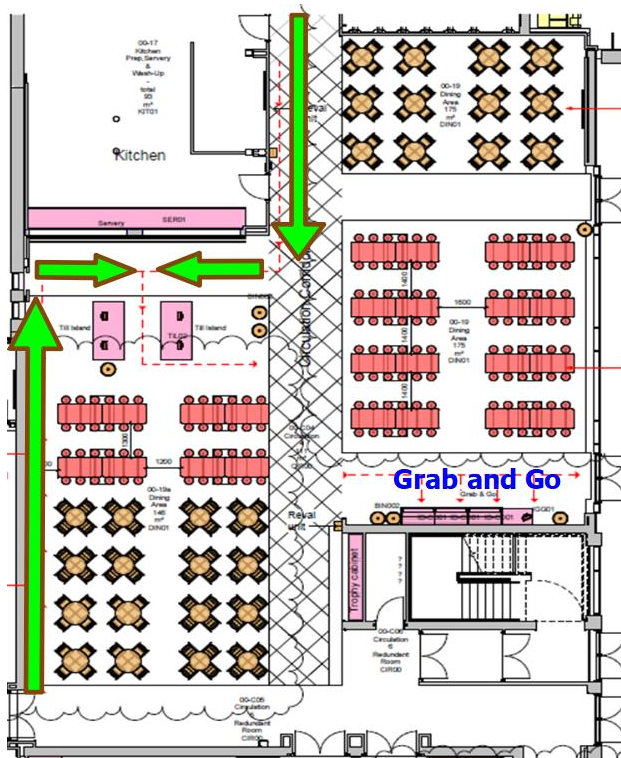

OUR RESTAURANT

Our restaurant will be on the ground floor of the building. It will be a bright, modern, open space that will use state of the art facial recognition technology to purchase food.

The restaurant will be open daily at 7.45am for breakfast.

In the new school there will be no machines to top up your account. All money will need to be loaded onto your account via Wise Pay. All pupils will be scanned in preparation for September on Facial Recognition day-Monday 24th June.

There will be a specific queue to join depending on if you are a lower (year 7 & 8) or upper school (year 9, 10 & 11) pupil.

Every pupil will receive a lapel badge to identify your year group.

A system that allows pupils in receipt of a Priority Pass will be in operation allowing them to bypass the queue.

There are a number of serving hatches and till points in the restaurant. These 2 hatches serve the same menu, therefore both queues access the same food offer. There is also a grab and go serving hatch the other side of the restaurant.

There are different seating options: large tables, tables of 4 and a large covered outside space in the quad.
